

Dear Prospective Family,

Thank you for your inquiry! We are excited to show you what makes First Impressions Learning Academy (FILA) different from other early learning programs.

Our unique teaching approach at FILA blends best practices to nurture each child's innate curiosity and promote individual growth in learning. The Infant and Toddler Programs offers a warm and safe start as a child's first formal learning experience begins outside of the home. The Preschool Program is designed to foster social and cognitive development and to lay the foundation for all future learning. Through guided exploration and discovery, teachers support young children as they begin their journey as lifelong learners.

Should you have any questions about our program or to discuss next steps, please don't hesitate to contact us. We look forward to hearing from you and partnering with you!

Thank you,

Tinisha Garnett-Ainsley

Director
First Impressions Learning Academy

THE ENROLLMENT PROCESS

Step 1: Create Student Profile

Please complete and submit the online family and student profile by clicking the this link <https://schools.procareconnect.com/register/68582ca1-6ebb-4c11-ad74-67ffd63d5b81>. Once your information is received, you will be able to utilize this online portal to submit required documents to complete the enrollment process. We will be in contact shortly after the form is received. We are happy to answer any questions you may have by phone: 860.381.5537 or email at Fila758r@gmail.com.

Step 2: Parent/Guardian Tour

We invite you to explore our classrooms by taking a school tour. Individual tours are available on weekdays by appointment.

Step 3: Submit Your Enrollment Form

First Impressions Learning Academy evaluates each child's school readiness and class placement on an individual basis. Although we consider parental/guardian input, professional assessment, and the child's specific needs, the final decision of an offer of admission and specific grade and class placement rests solely with the school administration.

Step 4: Arrange a Student Visit

- Infants and Toddler students visit for 30 minutes in the classroom with their parents.
- Preschool and Pre-Kindergarten students visit the classroom in the morning for 1 and ½ hours.
- Parents/Guardians may meet with our Director to ask questions and learn more about First Impressions Learning Academy.

Step 5: Submit Supplemental Enrollment Forms

- Parents must submit a most recent CT Early Childhood Health Assessment Form (physical) and Immunization record.
- A signed Family Handbook and Informed Consent form
 - A signed Discipline Policy Form
 - A signed Permission to Publicize
